EATON SIGNS PARTNERSHIP AGREEMENT WITH APECUS TECHNOLOGIES PTE LTD

SINGAPORE ... Diversified industrial manufacturer Eaton Corporation (NYSE:ETN) today announced a distributor-partnership agreement with APECUS Technologies Pte Ltd (APECUS). Through this partnership agreement, APECUS becomes an authorized distributor of Eaton's uninterruptible power supply (UPS) for below 6kVA products line. APECUS will provide sales and marketing support in Singapore.

The partnership with APECUS is a key part of Eaton's initiative to expand its market opportunity for Powerware below 6kVA products line. "To succeed in providing the best power protection solutions to our end customers, we need to have an end-to-end support from the point of manufacturing to the end-users including after-sales support for many years to come" commented Mr. George Ow, General Manager of Eaton Power Quality Pte Ltd. "We will join forces to leverage on our respective strengths and resources to provide reliable power protection to Singapore's customers who deserving and demanding for the best quality on power."

Commenting on the partnership, Mr. Lee Say Guan, Managing Director of APECUS said, "It is our commitment to provide best-of-breed power solutions that deliver the best value to our customers. Eaton is an industry leader that is globally recognized for its 40-year history of providing superior power protection and power quality solutions. Offering Powerware products and solutions will allow us to deliver the best solutions for our customers' needs."
